Barry & Janae Weinhold are partners,
counselors, educators, and authors
with a clear view of multidimensional living.

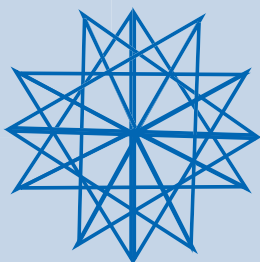

In this course, they draw heavily from
the Pleiadian and Sirian stories that
have guided their relationship of 18 years.

They believe that the time between now
and 2012 is a rare *window of opportunity*
that opens to reconnect us with our deepest
inner wisdom where we can activate natural,
multidimensional states of consciousness.
